

Ellington Orca Swim Team Mission

Being a member of a swim team offers swimmers a fun way to build physical fitness, perfect competitive swim strokes, improve technique, develop teamwork skills and learn sportsmanship all while building friendships that will last a lifetime! Participating on swim team helps build an enthusiasm for swimming that is hard to achieve with swimming alone.

It is our mission to provide an environment where every swimmer can grow as an individual and as an integral member of a team. We strive to help our children develop a love for the sport, advanced aquatic skills, teamwork and the principles of good sportsmanship.
